## ABOUT

2021 3rd International Conference on Big Data Engineering and Technology will be held during January 16-18, 2021 in Singapore. It is an annual research conference and the past 2 conferences were held in Chengdu, Singapore respectively.

## NEWS

- \*Proceedings of BDET 2018 has been indexed by EI Compendex and Scopus!
- \*BDET 2020 proceedings were available at ACM digital library.

## SUBMISSION INSTRUCTIONS

- \*Abstract  
(Presentation only without publication)
- \*Full paper  
(Presentation and publication)  
Template:<http://www.bdet.org/template.docx>  
Submission system:<http://www.easychair.org/conferences/?conf=bdet2021>
- \*Tips: Written in English, no less than 4 pages (full paper submission), Adobe PDF format only.

## IMPORTANT DATES

- \*Submission: September 20, 2020
- \*Notification: October 14, 2020
- \*Registration: October 25, 2020
- \*Early Bird Registration: October 25, 2020

## TOPICS

- Big Data visualization
- Big Data standards
- Distributed file systems for Big Data
- Mobility and big data
- New domains and novel applications related to Big Data technologies
- Algorithmic, experimental, prototyping and implementation
- Performance characterization, evaluation and optimization
- MapReduce for Big Data processing, resource scheduling and SLA
