# BDET 2022

2022 4th International Conference on  
Big Data Engineering and Technology

BDET conference is the premier event to network and learn from colleagues and other leading international scientific voices from across the world, who are actively engaged in advancing research and raising awareness of the many challenges in the diverse field of Big Data Engineering and Technology. The scientific program will again feature a mix of keynote speakers, oral presentations and poster displays, etc. Finally, we are confident that you will enjoy both the technical and social programs, offered to you in the framework of BDET 2022 and we look forward to meeting you in Singapore then.
